## METHYLENE CHLORIDE

66250487955

Net Weight: 485 lbs

### WARNING:

HARMFUL IF TAKEN INTERNALLY. Product is alkaline. PRODUCT IS A PRIMARY EYE IRRITANT. Eye damage may occur from contact with concentrate. PRODUCT MAY BE A PRIMARY SKIN IRRITANT. A reversible skin irritation (redness and swelling) may occur from contact with concentrate.

### OTHER PRECAUTIONS:

Contains amines. Do not add sodium nitrate or other nitrosating agents to this product; suspected cancer-causing nitrosamines could be formed.

### USE ONLY AS RECOMMENDED BY REDSHIFT.

Do not use this product without first referring to the PRODUCT INFORMATION SHEET and the OSHA MSDS for the product.

### RECOMMENDED USE DILUTIONS:

Use between 4.0% (1:25) and 6.7% (1:15) for light to moderate-duty machining and grinding ferrous and some nonferrous metals. Add concentrate to water and stir or circulate to insure thorough mixing.

### PRECAUTIONARY MEASURES:

- Avoid all contact with eyes or skin contact.
- Wear impervious gloves, such as nitrile, safety glasses, shield or goggles, and appropriate protective clothing.
- Do not swallow.

### FIRST AID:

IN CASE OF EYE CONTACT, flush with running water for 15 minutes. Call a physician.

IN CASE OF SKIN CONTACT, wash immediately with water.

IF SWALLOWED, do not induce vomiting. **Dilute by drinking water or milk.** Immediately contact physician and obtain treatment. FOR INHALATION, breathe fresh air.

### STORAGE CONSIDERATIONS:

If frozen, product separates. Thaw completely at room temperature and stir thoroughly.

If you have not received an OSHA Material Safety Data Sheet (MSDS) for this product or have an OSHA MSDS for this product with a Date Effective before 10/27/2000, go to redshift-tech.com or contact Redshift Technologies, Inc. for a current MSDS.
